Subject Establishment of an Anglo Vernacular School at Robertsonpet, Kolar Gold Fields

Education
103 of 1903-4

Letter No $\frac{7422}{265}$ dated 11th February 1904 from the Insp Gen'l of Schools to Inspr

The population of Robertsonpet is reported to be about 1350 consisting of Muhammadans Tamil and Kanarese people. The Dy Commnr, Kolar, and the people of Robertsonpet are desirous of having a School in which English, Kanarese and Tamil should be taught. The Insp expects from 70 to 100 children to go so he is of opinion that the School must consist of not less

than 7 classes[2] Three of these classes will be purely Canarese, three will be purely Tamil and one English or Anglo Vernacular.

As living and house rent are very costly in the place the I.G.I proposes the following Establishment for the School.

	Designation -	Pay	Allowance
(1)	Head Master (knowing English, Tamil & Canarese)	Rs 30 —	As 10
(2)	First Kannada Asstt	20 —	10
× (3)	2nd — do — —	15 —	10
× (4)	3rd — do — —	15 —	10
(5)	First Tamil Asstt —	20 —	10
(6)	2nd — do — —	20 —	10
× (7)	3rd do — —	15 —	10
× (8)	Peon — — — —	7 —	4
(9)	Sweeper — — —	6 —	"
(10)	House rent — — —	40 —	"
(11)	Contingencies —	3 —	"
		191 —	74
		265	

The cost involved is Rs 265 per mensem

or Rs 3,180 per annum

With regard to the local allowance of Rs 10 recommended for the masters the I Gl states that writers employed in Kolar Gold Fields on Rs 15 are given an allowance of Rs 10 But the G O No 95-6 dt 1/7/1897 fixes only the following rates of local allowances

Copy put up—

	Rs
For Masters on pay Rs 10 & under—	2
do — above 10 & not exceeding 15—	3
do — above 15 & not exceeding 20 —	4
do — above 20 ———	5

The above order does not fix any local allowance to peons but the I Gl has Recommended an allowance of Rs 4—

(2) Buildings for the School

The I Gl states that a building costing about Rs 5000

H

will be sufficient for the School, if this amount can be specially sanctioned over and above the usual requirements of the Deptt It is also said that a suitable site is available behind the new Police Station which the Dy Commr is willing to reserve for the School buildings

The two proposals are submitted for orders

Kell 16/2/04

The establishment of a School in Robertsonpet appears to be a desirable measure The scale of establishment proposed may be sanctioned, be sanctioned with effect from 1st July 1904 and the cost ordered to be entered in the next year's Budget.

Plan & Estimate for a building may also be called for through the Chief Engineer - H 24/2/04

From

H J BHABHA Esq Ma,
Inspector General of Education in Mysore

To

L^d Anantaswami Rao Esq BA,
Offg Secretary to the Govt of Mysore,
General and Revenue Department,
Bangalore

SIR,

I have the honour to inform you that the Deputy Commissioner of Kolar and the people of Robertsonpet in Kolar Gold Field are desirous of having a school in which Kanarese, Tamil and English are taught I visited Robertsonpet on the 8th instant and found that the population of Robertsonpet is at present 1350 and the number of houses is 249 But the town is growing fast, and contains a mixed population of Mahomedans, Tamil and Kanarese people, a large number of whom are well-to-do There are also three villages in close proximity, namely Somakoppa, Nachikpalle and Pasandapalle. I propose to open one or two Hobli schools in these villages to keep off the village boys from the school in Robertsonpet. Even if

this is done a school of not less than 7 classes
to start with will be required for 70 to 100
children Of these 3 of the lowest classes
will be purely Kannada, three purely
Tamil, and one an English or Anglo-Vernacular
class - Living and houserent both are very
costly in Robertsonpet - To meet the extra
cost Writers employed in the Kolar Gold
Field on Rs 15 are given a local allowance
of Rs 10, and the wages of even menials
are very high - It is not possible to secure
a fairly good house for the school under
a monthly rent of about Rs 40 - Under
these circumstances I request that the fol-
lowing scale of establishment may be sanc-
tioned for the Anglo-Vernacular School
Robertsonpet -

	Pay Rs	allowance Rs
Headmaster (Knowing English Tamil & Kannada)	30	10
First Kannada Assistant	20	10
Second Kannada Assistant	15	10

will suffice for the school, if this amount can be specially sanctioned over and above the usual requirements of the Department. There is a suitable site behind the new Police Station close to the main road which the Deputy Commissioner is willing to reserve for the school building.

3 I request that Government may be good enough to accord early sanction to the above proposals from the commencement of the next official year.

I have the honour to be,
Sir,
Your most obedient servant,
H J Bhabha
Inspector General.
